W. C. T. U. Criticises Two Members of President Taft's Cabinet.

WANTS PICTURES CENSORED.

Re-elects President and Most of the Other State Officers.

After a session of five days the Kentucky Woman's Christian Temperance Union adjourned Tuesday night. Officers were re-elected and the place of the next meeting was left to the Executive Committee to determine. Invitations were received from Louisville, Mt. Sterling, Madisonville and other cities.

Resolutions were adopted calling on the legislature to submit to the people a prohibition amendment to the Constitution forbidding the manufacture, sale, importation and transportation of beverage liquor in Kentucky. Secretary of State P. C. Knox was denounced in strong terms for aiding the Brewers' Congress and also Secretary Wilson for accepting the position of honorary president of that congress, together with a protest against President Taft retaining them in his Cabinet.

A law to prevent the manufacture or sale of cigarettes or cigarette material was urged.

Declaring that nonpartisan methods had failed, the convention called on friends of the cause to pledge their support to that political party which declared for prohibition in its platform.

Censorship of all moving picture exhibitions in the state was asked, and the desecration of Sunday baseball and other amusements was deplored. It was resolved that as soon as practical a petition should be presented to the legislature asking for an amendment to the Constitution to allow woman's suffrage. A law was favored prohibiting a saloon within two miles of any State institution, school or church house. It was declared that above all other legislation the Kentucky W. C. T. U. desired the passage of the Webb Interstate Commerce bill.

The annual election of officers resulted as follows: President, Mrs. Frances E. Beauchamp, Lexington; vice president, Mrs. Mata Bailey, Paintsville; corresponding secretary, Mrs. Juliet Powers, Grayson; recording secretary, Mrs. Ludie Pickett, Wilmore; treasurer, Mrs. Nora E. Taylor, Lexington; Y. P. B., Miss Florence Loomis, Louisville; L. T. L. secretary, Mrs. Ludie Pickett. Delegates to the national W. C. T. U., which will be in Milwaukee October 27-November 1, were chosen as follows: Miss Katie McDaniel, Hopkinsville; Mrs. A. T. O'Rear, Cynthiana; Mrs. Sue N. Davis, Louisville; Mrs. Julia Gunn, Lexington; Mrs. Jennie Thompson, Mt. Sterling.

The concluding feature of the convention was a lecture at night by Mrs. Lila Cartin Moore, of New Mexico, formerly of Kentucky.

RESOLUTIONS.

At the session of the Business Men's Bible Class of the Methodist Church Sunday School, on Oct. 1st, 1911, the following resolutions were offered and unanimously adopted:

Resolved: That in the recent death of our fellow-member, friend and brother, Sam P. Elgin, this class, to which he was loyally devoted, the church, which he loved, and the community, in which he lived, have in common sustained a great loss in the passing of this unit of Christian manhood, so marked in noble influence that enriched us, and whose memory long will be fondly cherished.

Resolved: That as a citizen we do recognize in him those qualities that went to make up the best of men who dared to do the right. He was upright and honest in all his dealings, modest and retiring in manner, through true as the needle to principle.

Resolved: That as a church member, interested in all of its endeavors, especially the work of our class, we realize the loss of a most helpful co-laborer, always present when able, and ever ready to contribute his share in interest and sympathy. We loved and valued him for his innate modesty, faithfulness and daily piety.

Resolved: That in the long months of pain and suffering through which God called him to pass, he did most beautifully show forth an example to those about him that high type of Christian fortitude and submission which has borne its fruit and lesson in and upon the hearts and lives of all who knew and loved him.

Resolved: That we extend to the family and relatives our deepest sympathy in their inexpressible bereavement, and further express our great faith and comfort in the assurance that "He doeth all things well."

Resolved: That this partial expression of the appreciation of his worth and sense of loss be spread upon our records and a copy of same be sent to the sorrowing family.

Woman Past Help.

Chapler, Okla.—In a letter from this place, Mrs. Ella Flowers says, "I hardly know how to thank you for the good that Cardui has done me. Before I tried Cardui, I thought I was past help, but after taking it, I was relieved at once, and gained at least 10 pounds. Everybody says I look so much better. I am still improving greatly." Many women are completely worn-out and discouraged on account of womanly weakness. Are you? Have you not tried Cardui? It only needs a few doses to convince you that Cardui is just what you need. Try it today. It will cure your pains.
